SPOTLIGHT on

Core Value Recognition

As part of our employee recognition scheme, we encourage you all to get involved by nominating individuals you feel deserve to be recognised for their efforts - *over & above* - in line with our Core Values.

All approved nominations receive an award, and every month one employee will appear in our 'Recognition SPOTLIGHT'. For February 2025 we are delighted to highlight the excellent work of:

Scott Wylie
Instrument Lead, SGP

Scott was nominated for:

Excellence

He carried out a SAP planned maintenance review of up & coming instrument works ensuring that all equipment requiring a full site shut down had been captured - *which will significantly aid in reducing backlog for 2025.*

Our thanks and congratulations to Scott for demonstrating **PBS' Core Value of Excellence** through this example. Please continue to nominate your colleagues for their outstanding contributions. Together we can do great things!
