## Core Value Recognition

As part of our employee recognition scheme, we encourage you all to get involved by nominating individuals you feel deserve to be recognised for their efforts - *over & above* - in line with our Core Values.

All approved nominations receive an award, and every month one employee will appear in our 'Recognition SPOTLIGHT'.

For June 2025 we are delighted to highlight the excellent work of:

**Gary Randles**  
Mechanical Technician  
NNS - Gryphon

Gary was nominated for: **SAFETY**

**Whilst performing maintenance on other equipment. Gary took the time to look at the life rafts adjacent to his worksite. He noted that 2 of the rafts had been installed and set up incorrectly. He flagged this up to the Marine department and checked all other rafts on the asset. Excellent awareness and vigilance.**

Our thanks and congratulations to Gary for demonstrating **PBS' Core Value of SAFETY** through this example.

Please continue to nominate your colleagues for their outstanding contributions. Together we can do great things!
