Core Value Recognition

As part of our **Employee Recognition Scheme**, we encourage you all to get involved by nominating individuals you feel deserve to be recognised for their efforts - *over & above* - in line with our Core Values.

All approved nominations receive an award, and every month one employee will appear in our 'Recognition SPOTLIGHT'.

For **July 2025** we are delighted to highlight the excellent work of:

Sam Badenoch

Mech Tech, Apprentice Improver
WoS - Shetland Gas Plant

Sam was nominated for: **SAFETY**

Sam identified a critical mismatch in respiratory equipment filters during a COSHH assessment. His proactive safety observation and immediate escalation demonstrated exceptional vigilance and care for team wellbeing.

Our thanks and congratulations to **Sam** for demonstrating **PBS' Core Value of SAFETY** through this example.

Please continue to nominate your colleagues for their outstanding contributions. **Together we can do great things!**
