# SPOTLIGHT on Core Value Recognition

As part of our Employee Recognition Scheme, we encourage you all to get involved by nominating individuals you feel deserve to be recognised for their efforts - *over & above* - in line with our Core Values.

All approved nominations receive an award, and every month one employee will appear in our '**Recognition SPOTLIGHT**'.

For September we are delighted to highlight the excellent work of:

## **Connor Cahill** **Instrument Tech. CNS, Culzean**

Connor was nominated under the '**PEOPLE**' category:

Connor supported a night shift Tracerco vendor scope to a successful conclusion which required him to work extended hours over two nights after growth on the original work scope occurred. He provided instrument support for this safety critical task meaning no vendor downtime which meant the jobs were able to be completed safely. Due to him working across a short night shift pattern it showed his flexibility and willingness to assist the platform highlighting his teamwork ethic and his excellence as he will always go above and beyond to help on a daily basis. He is an asset to the instrument department and the wider team on the Culzean.

This is the kind of good practice we are seeing across PBS. Please continue to nominate your colleagues for their outstanding contributions.

## **Together we can do great things!**

- 1. Scan the QR code**
- 2. Answer a few questions & describe their actions**
- 3. Submit your nomination**
