SPOTLIGHT on Core Value Recognition

As part of our Employee Recognition Scheme, we encourage you all to get involved by nominating individuals you feel deserve to be recognised for their efforts - *over & above* - in line with our Core Values.

All approved nominations receive an award, and every month one employee will appear in our '**Recognition SPOTLIGHT**'.

For August we are delighted to highlight the excellent work of:

Debi Logan
CNS Methods Engineer

Debi was nominated for **TEAMWORK**.

Debi is continually supportive of the CNS team and holds a key role in their aspiration to achieve year end targets on a monthly basis. The development of the Ailsa SECE backlog management tool has changed the way the CNS team operates, and it is paying dividends in the way they manage the data. It has already contributed to Ailsa realising zero hours of unmanaged SECE in the month of August for the first time. Debi has worked closely with several team members to develop this tool.

This is the kind of good practice we are seeing across PBS. Please continue to nominate your colleagues for their outstanding contributions.

Together we can do great things!

1. Scan the QR code
2. Answer a few questions & describe their actions
3. Submit your nomination
